

### Blue Team Alma Mater "We Love Liquid Sunshine"

We used to think camp wouldn't happen  
now we know that's not true.  
Now when I see rain on the forecast  
I'm not feeling blue.  
Camp fun doesn't just have to happen  
on a warm sunny day.  
With all that we know that can happen  
now we want to stay.

We love liquid sunshine- woah  
We love liquid sunshine- woah  
We love liquid sunshine- woah  
Yea camp is so good! Hey!  
Yea camp is so good! Hey!

Thunder and lightning from Zeus?  
Oh- we still can make do.  
We can still laugh, still can play with our counselors too.  
Woods, Willows, Lunch Tent, Twin Cedars  
Will save our camp day.  
Oh-yeah  
Liberty Lake know that we cannot be scared away

We love liquid sunshine- woah  
We love liquid sunshine- woah  
We love liquid sunshine- woah  
Yea camp is so good! Hey!  
Yea camp is so good! Hey!

We love liquid sunshine  
We love liquid sunshine

I'm havin fun, we're havin fun, we're havin fun down  
at the lake.  
I'm havin fun, we're havin fun, we're havin fun down  
at the lake

Liquid sunshine baby, oh!  
Oh yeah, liquid sunshine baby, oh!

We love liquid sunshine- woah  
We love liquid sunshine- woah  
We love liquid sunshine- woah  
Yea camp is so good! Hey!  
Yea camp is so good! Hey!  
I say it, I say it, I say it again, now  
Yea camp is so good!  
Hey, yeah, now  
Yea camp is so good!

### Blue Team Parody Song (Bruno Mars/Treasure)

You, you, you all better watch out  
Cuz we are greece and we got this-on lock!  
With medusa, cyclops, this'll be a blowout  
They'll help make sure that we end up-on top

Oh, whoa-oh-oh  
Camp is gonna know it, that we're in our prime  
In our prime  
Oh, whoa-oh-oh  
Cuz we are gonna show it when we win this time  
Win this time

Blue team, that is who we are  
The Greek gods will take us far  
The first Olympics started in Greece  
So our win's a masterpiece  
So our win's a masterpiece

Zeus, Zeus, Zeus, uses lightning  
Poseidon rules the sea that shines-so blue  
Hades can end the other teams  
And the strength of Hercules sure will-come through

Oh, whoa-oh-oh  
Camp is gonna know it, that we're in our prime  
In our prime  
Oh, whoa-oh-oh  
Cuz we are gonna show it when we win this time  
Win this time

Blue team, that is who we are  
The Greek gods will take us far  
The first Olympics started in Greece  
So our win's a masterpiece- So our win's a  
masterpiece

We are the blue team, we got this blue team, so lets  
go blue team- lets win this color war  
We are the blue team, we got this blue team, so lets  
go blue team- lets win this color war

Blue team, That is who we are  
The Greek gods will take us far  
The first Olympics started in Greece  
So our win's a masterpiece- So our win's a  
masterpiece
