

RED TEAM

DON'T STOP BELIEVIN' (ALMA MATER)

[VERSE 1]

Just a turtle girl
Livin' in a big camp world
She took the puppy bus to camp everyday
Just a turtle boy
Wakin' up with lots of joy
He took the puppy bus to camp everyday

A lifeguard in the swimming pool
I love the lake it keeps me cool
At the pool we can share the slide
Days go on and on, and on, and on

[PRE-CHORUS]

Campers, playing
All around the gaga pit
Their counselors
Cheerin' for their group
Andy, BC
Riding around in their golf carts
Always helping around camp

[VERSE 2]

Working hard just like Jill
Fuzzies give us such a thrill
Doin' anything to earn star points
For twenty years
Some will win
Set the score
In Yacht or Not and Tug of War
But our friendships never end
They go on and on, and on, and on

[PRE-CHORUS]

[CHORUS x2]

L-L-D-C
Come to camp and you will see
Andy, BC
Oh-oh-ohhhhhhhh

PIZZA TIME (SING-OFF CHANT)

[STAFF] Hey red team!

[CAMPERS] Hey what?

[STAFF] What time is it?

[CAMPERS] It's pizza time!

[STAFF] What time is it?

[CAMPERS] It's pizza time!

[DRUMROLL] Woahhhhhhhhhhh

[REPEAT AFTER ME]

Welcome to the land of pasta and pizza
War's leaning red like the tower of Pisa

Greece and Wales we can't wait to see 'em
Beaten by us in the Colosseum

Points flooding in like the streets of Venice
You already know red team's a menace

Tie dye and blue have yet to see
The winner of this war is ITALY

HOLLABACK GIRL (ALTERNATE CHANT)

[REPEAT x2]

Italy is ready to seize
The victory, we can guarantee
That the red team's gonna win this
The red team's gonna win this

[REPEAT x4]

The red team is the best
R-E-D-T-E-A-M

RED TEAM

ONE THING (FIGHT SONG)

[VERSE 1]

We've tried playing it nice
Now they're paying the price
It's red's time to shine
Cuz we are on cloud nine

Shot blue out of the sky
Said bye to tie-dye
Italy's here to win this
Yeah, red's win is given

[PRE-CHORUS]

**Something's gonna happen now
Greece and Wales are going to see
That red is gonna win this now
'Cause we've got that one thing**

[CHORUS]

**So get out, get out, get out of this war
Cuz red's gonna win like before
We know, we know that Italy wins
Cuz we've got that one thing
So get out, get out, get out of this war
Cuz tie-dye and blue are done for
We know, we know that Italy wins
Cuz we've got that one thing
Yeah we've got that one thing**

[VERSE 2]

Gotta give it our all
To win this color war brawl
The end for us is in plain sight
Must fight the good fight

[PRE-CHORUS]

[CHORUS]

[BRIDGE]

Woah-oh-oh-oh
Oh-ooh, oh-oh-oh-oh
Oh-ooh, oh-oh-oh-oh
We've got that one thing

Get out, get out, get out of this war
Cuz tie-dye and blue are done for

[CHORUS]
