

RED TEAM – 2020 TIME

Jackson 5 - (Alma Mater)

When I first arrived at camp
I didn't want to sit down
The friendly faces greeting me
All stood out in the crowd
Since Liberty Lake's the best around
One day was all it took
To make new friends and have some fun
This summer's for the books

[CHORUS]

**Oh Andy give me one more chance
(to show you my star points)**

**BC please let me
(ride in your cart)**

**Oh Jill I'm so glad I'm not at home
(not at home baby)**

Now since I have friends here at camp

(I love you camp) Yeah yeah yeah yeah
(I love you camp) Yeah yeah yeah yeah
(I love you camp) Yeah yeah yeah yeah
(I love you camp) Yeah yeah yeah yeah

Goin' to camp everyday
Is the best thing in my life
Let me swim all day and
Play gaga through the night
Every fish that I catch
And rock wall that I climb
Makes me want to come back
Every single time
Let me tell you now

[CHORUS]

(Staff) L-L-D-C
(Campers) L-L-D-C
(Staff) All I want (Campers) Is L-L-D-C
(Staff) All I want (Campers) Is L-L-D-C
(Staff) All I want (Campers) Is L-L-D-C
(Staff) All I want (Campers) Is L-L-D-C

Tik tok Tik tok
Generals: Let's change it up
Tik tik tik tik tik tik tik BOOM

Red team ready it's time for a win
We're the best team, we've always been
Can't stop us, winning's our fate
Show up on time cause red won't be late
Space and mind they can't take the heat
Cause we're the red team and we can't be beat
Gonna win this war like we've done before
Because . . .

It's It's It's our time
It's It's It's our time
It's It's It's our time
It's It's It's our time
Tik tik tik tik tik tik tik BOOM

THIS IS OUR TIME (Fight Song)

(Kelly Clarkson- Since You've Been Gone)

In the past, we've won color war
Now it's time to win some more
Yeah yeah
This is our time

Been dedicated, through the years
Now we're stronger, the other teams fear
Yeah yeah
This is our time

And all you'd ever hear red say
Is how we're gonna beat you
But now you're gonna hear us say

[CHORUS]

That this is our time
We're gonna rise like we've done before
We're in our prime
Yeah yeah
Gonna win
Color war, we're the best team
This is our time

How do we say this? Our vict-ry's near
Can't change the past but we'll win this year
Yeah yeah
This is our time

And all you'd ever hear red say
Is how we're gonna beat you
But now you're gonna hear us say

[CHORUS]

This is our war, we'll take it
Our moment, it's our time
Space and mind, they just can't take it
Time after time after time after time

[CHORUS]

This is our time
