What is Liberty Lake Day Camp?

It's much more than 60 shady acres, two pools, and a small lake. It's a **COMMUNITY** of shared values that creates a supportive, learning environment for campers and staff to grow and flourish.

Our "Star Points" guide us in nurturing **CHARACTER** values that build leadership and community. This allows us to be intentional about imparting what truly matters in our LLDC family; teaching and learning important skills/behaviors that impart the values that will help lead a successful life.

1. To become more **INDEPENDENT** and resilient.
2. To gain **INTEGRITY** by choosing honesty to make right decisions to treat people with respect.
3. To find **ASPIRATION** to learn, overcome challenges, be creative, and try new things.
4. To practice **TEAMWORK** alongside our supportive friends and counselors.
5. To learn the important skills of making and keeping **FRIENDSHIPS**

At Liberty Lake, we hold ourselves accountable to imparting these "Star Points" each and every day into our camp activities and the in-between times. These principles help us create a powerful culture of learning and support. Our goal is that our Liberty Lakers will keep their camp spirit in their hearts, and use their lessons learned in their everyday lives to become a positive impact everywhere they go.

We are honored that you have entrusted us with your children. We are grateful for this partnership, and ask that you discuss our "Star Points" with your children, to maximize the positive experience for each Liberty Laker in our summer family.

Campaign of Character Initiative

We take pride at Liberty Lake in being a safe and inclusive community, with values such as respect, integrity, friendship, teamwork, and aspiration at its core. At Liberty Lake, our value system is our foundation. Together, our camp family creates a summer home for all those who join us each summer - we are family!

While campers and staff grow and change over the years, our character values and “Star Points” remain constant, guiding Liberty Lakers, near and far, on their journey to a successful and meaningful life. To further foster these values within our camp community, we have created a new **Campaign of Character** - a 3-tiered approach to better instill our values throughout LLDC, building on our already existing principles. This initiative is intended to be fun, while highlighting the great things we do and say at camp that display character!

1. Colors of Character: We have assigned each of our star-point values to colors and give our LLDC team pony beads to distribute to the campers to encourage and reinforce behaviors. When a camper says or does something of character, the staff will be able to recognize that behavior by giving them a bead of that value's color. It's a simple, and immediate way for our team to reinforce the positive actions of character. So, instead of just a “high five” because a camper was being a good friend, now staff members and campers will point out that when they stopped and helped the other child find their bag, they were being a good friend- and award them a “friendship bead” (and THEN a high five!) These colorful beads give specific and immediate praise, focused on character, and campers can display their collections with pride- and like we mentioned above, this year, CAMPERS can give out beads as well!

2. Fuzzy of the Week: We love our little warm & fuzzies at LLDC, but now that we have the beads, fuzzies have been elevated to a higher level of specialness. Our leadership team awards fuzzies for EXCEPTIONAL acts of character, which make the award a bit more rare. They are still cute, and will still be awarded at special ceremonies- so please note that **if your camper comes home with a fuzzy- it is a REALLY Big Deal!** We also may have some surprise appearances from “Fuzzy Man.”

3. Character Corner: This is our 2-fold approach to have **visible examples around camp** of the things great people of character do and say. We will have real life examples of famous people that show friendship, teamwork, leadership, and the other values that we feel are important for a happy and healthy life. What a great way to impart the concepts of what truly matters, by using the real-life people that have impacted and inspired our world! We hope that when the campers see and learn about these “characters of character,” they too will aspire to be a positive influence in the world around them :-)

The Liberty Lake Character Campaign is a combination of old traditions and new ideas. Our goal is to continue to partner with our families, so that together, we as a village can model, teach, and inspire a culture of character for everyone in our camp community, our local community, and beyond.

TRANSPORTATION

Our goal is to provide a safe, enjoyable, and efficient trip to and from camp for our campers. We use school buses with professional bus drivers and have camp staff on board who supervise, lead cheers and songs, and play games with the campers. All drivers are full-time professional bus drivers.

BUS TIMES - In your Email Inbox, and on the “**QUICK LINKS**” page of LibertyLakeDayCamp.com will soon be a list of Current Bus Times that we approximate for all pick-up and drop-off locations. Please realize that the camper population can fluctuate from week to week, which can slightly effect bus times- if/when they change, we'll immediately let you know, Emailing you, texting you, and posting on QUICK LINKS- **Check your Emails each weekend!**

CENTRAL EXPRESS TRANSPORTATION - Please make sure to be at the bus stop location on time, as the bus cannot wait more than a minute, especially on the streets of Philly. **PM “drop-off: “Your child will never be left alone, unless authorized.** If you are not there waiting for them, our staff will attempt to contact you; and if necessary, finish the route, and return to the Bus Stop. As a last resort, the bus would return your child to the camp.

*** Bring your Car Placard (or digital copy) for Pickup I.D. on the first day, so our staff knows who you are!**

TRANSPORTATION CHANGES - We can accommodate changes in most cases, but we ask that you **Contact us Before 12 Noon of the day in question.** Please call us, and/or Email: bus@libertylakedaycamp.com

CAMPER ABSENCES - Please contact the Camp Office by 7:30 AM (or earlier) to let us know if your child will not be taking the bus to camp. **This is very helpful in keeping our buses running on time!**

Parent Drop-Off & Pick-up 7am-6pm

DROP OFF - Upon arrival to Liberty Lake, turn right at the Mini-Golf Course and proceed down the second aisle of the parking lot, circling left so that your passenger side door is facing the Basketball Court / Twin Cedars Pavilion, where a staff person will assist your camper(s) out of the car. From **7 to 8:40 AM**, campers are signed-in to play and socialize with other early campers and staff. After 8:40 AM, campers are led to their divisional arrival areas, where they sit at assigned benches, and are signed in by their counselor staff. **Please do not park or get out of your car, unless there is an emergency.** Also, realize that **BUSES** also arrive between 8:45 and 9 AM. **PLEASE DO NOT ARRIVE AFTER 9 AM- as Campers will be LATE for 1st period and not be happy about it!**

PICK UP - After the last bus is dismissed at 4 PM, the Gate Attendant announces the first group of cars to the waiting campers. Parents must show their Placard to the attendant (or a digital copy), and “drive around the circle” where campers will be brought out to meet their respective rides. “Extended Hours” begins at 4:15 and ends at 6 PM.

BEFORE / AFTER CARE / OR NOT - Extended hours care takes place 7-8:40 AM and 4:20-6 PM. To receive a “No Bus/No Extended Hours Discount,” campers must be dropped off no earlier than 8:30 and/or picked-up no later than 4:15. You may utilize **HALF** the Extended Hours (AM/PM), for half the discount.

EARLY PICK-UP? - DON'T JUST SHOW UP!

 If you wish to pick up your child early from camp, please let us know **THAT MORNING**. We suggest a confirmed Email or a phone call to the camp office. **Your child will be pulled from their group between activities prior to their requested departure. Campers will only be released to a parent or guardian who can show the family Car Placard at the Gate House.** If you would like your child to be picked up at camp by someone without the Placard, please Email or Call that morning. Given sufficient notice, we will have your camper(s) waiting at the Gate House when you arrive. **Lack of notice will result in waiting until their next period ending.**

*****THERE ARE ABSOLUTELY NO PICK-UPS ALLOWED BETWEEN 3 & 4 PM*****

If you show up between those hours, you will be respectfully asked to wait until after the buses depart at 4 PM. **This is a supremely important safety precaution for us.** Please make every effort to work this policy into your plans.

★ FREEDOM OF CHOICE ELECTIVE PROGRAM ★

CAMPERS ENTERING 1st THROUGH 9th GRADE CUSTOMIZE THEIR DAYS!

Each week, families of campers, grades 1-9, receive an elective sheet listing the activities offered for the NEXT week (posted online, and link Emailed to you.) Our hope is that parents will discuss elective choices with the campers, and then submit through the "Forms & Documents, Top-15" form of your CampInTouch dashboard or Companion App.

*** ELECTIVE CHOICES MUST BE UPDATED ONLINE EACH WEEK BY TUESDAY NIGHT ***

Campers create an activity "Top 15" list prior to the start of the Summer (you can do it today), with choices listed in order of preference- thus the TOP CHOICE is the most desired choice, which we schedule first and then work down the list. We use a proprietary software (designed by a camp parent) to ensure the top pick- if you see any issues, please let us know. Activity Preferences do not get erased from the system, week to week- So if updates are NOT made each week, campers may receive the same choices. **Curriculum changes each week- So please update your choices!**

With over 50 choices of electives offered each week, and campers creating a "Top 15 List", there is a mathematical chance that NONE of your child's choices could be offered during a given elective period. If this happens, the scheduling software will choose an elective based on your child's choices, which can be switched later by the camper.

SWITCHING ELECTIVES: Sophs, Juniors, & Seniors may request to switch electives on Monday afternoon. Frosh parents can Email their division leaders and they'll make the switch for you.

- * **Elective Activities run 45 minutes per day, for one week (5 days)**
- * **Curriculum changes each week, so campers can "Repeat" their choices.**
- * **Read the new Elective Sheets & make adjustments every week- Especially SENIORS!**
- * **If not attending Week 1, your first elective sheet will be posted and Emailed a week prior to your start date with a friendly reminder encouraging you to update choices.**

Turtles enjoy a new schedule each week specifically designed to include a wide variety of athletic, art, nature, cooking, and waterfront activities- with plenty of unstructured, creative play!

* **Please use the Week 1 Elective Sheet to create your "Top 15 List" TODAY- Regardless of start date**

If you have questions or concerns about electives: Electives@LibertyLakeDayCamp.com

Behavior & Discipline

Every camper at Liberty Lake should feel physically and emotionally safe. Fighting, cursing, bullying, verbal intimidation, or any inappropriate behaviors are NEVER tolerated at Camp, on a Camp bus, or a trip. A safe and friendly atmosphere is the responsibility of everyone at Liberty Lake.

Liberty Lake teaches healthy, respectful patterns of behavior through a positive learning environment.

Children learn what is acceptable and desirable in order to help them become positive influences in our community. We teach and model character, morals, integrity, ethics, inclusion, and regulating our emotions to show our values.

Disciplinary issues are brought to the attention of the Division Leader who when deemed necessary, informs the parents of all campers involved as to what occurred and the action taken- **we appreciate you backing us up!** If a camper has recurring issues, the camp will request a meeting with parents, and the camper may be suspended. Our staff works alongside our SUCCESS Team to help children with behavioral challenges. If a camper is unable to adjust their disruptive behavior, or if it is no longer in the best interest of the camper (or other campers) for a child to remain in camp, the camper will be removed from camp. Liberty Lake is a wonderful place for many, but it can be too overwhelming for some. Please contact us immediately to rectify any negative situations that may be encountered. Most challenging situations will simply require patience, understanding, and a sincere apology.

★ HEALTH & SAFETY ★

Liberty Lake is a very safe place for our children. There is only one way in and one way out of camp, and the driveway is guarded from 7 AM to 6 PM. Staff wear uniform shirts (except on dress-up days.) All visitors are met at the Gate House, must show appropriate ID, be granted permission by the office, and given visitor passes to wear while being escorted through camp. All adult staff (18+) are professionally background checked and finger-printed (not required at most camps), and our younger staff, who are mostly former campers, are diligently reference checked.

Staff training features professional trainers leading workshops featuring youth development, positive discipline, emergency procedures, child abuse awareness, inclusion, mental health, and basic medical care. We run unannounced drills throughout the camp season, we have three Registered Nurses on site each day, and the Mansfield First Aid Squad is just around the corner. Liberty Lake is accredited by the American Camp Association (Andy was President) and licensed by the NJ State Department of Health. **Andy is a Certified Child Abuse Prevention Trainer**, and along with Cathi (social worker) helps train our staff to always be on the lookout for potential situations. No staff is allowed to be alone with a camper, under any circumstance, with grounds for immediate dismissal.

Our Aquatics Director is also a Red Cross Certified Trainer, who trains and certifies our lifeguards with CPR, First Aid, and AED training. **We also employ a social worker and guidance counselor**, who work closely with our staff, campers, and camp families.

In conjunction with the County Office of Emergency Management, our goal is to prepare for any situation. Communication with our parents is an integral part of this plan, via Emails, and text notifications, plus now- the “Campanion” app.

WHAT CAN YOU DO TO HELP?

1. Make sure that your Emergency Contact info, Email & Cell numbers are up-to-date in your account.
2. Make sure that people other than you or your partner/spouse, are listed as “Emergency Contacts,” with “authorized adults” who could be picking up your camper(s) from camp.
3. We are taking care of hundreds of campers at a time, and looking out for the safety of ALL of them. Please remember this if you try to contact us in the midst of an emergency, or severe weather situation.
We will Email or text you from the office when necessary, when we are able to.

Important Info

Extentions & Early Enrollment

At Liberty Lake, most groups have been relatively closed out for many months- Some as early as September. Right now, a few scattered weeks are available in some groups ONLY for enrolled families. If you are interested in adding weeks, inquire about availability immediately to joe@libertylakedaycamp.com

On Monday of Week 8, Enrolled Camp Families will be given Priority Status to register for the 2025 Season with a refundable deposit locking in the lowest tuition rate. Brand New families will be given the opportunity to enroll after Labor Day, and groups will quickly begin closing soon after. Our strong advice is to fill out an enrollment application immediately in late August, or be prepared to have wait-listed weeks.

Staff Tipping / Gratuities, + Grazzee!!

We understand that for many of our camp families, Liberty Lake is their first camp experience. One thing that's relatively universal in the camping world is "Gratuities." While Liberty Lake pays competitively for a camp, teachers could be paid more at Summer School, and students could work 40+ hours per week in retail or fast food. 11th/12th grade high school students are in an extension of our leadership program, and appreciate tips the most. While absolutely not required, we suggest that tips are an appropriate way to show your appreciation to staff members who have significantly contributed towards the success of your child's experience. Staff typically receive gratuities from camp families in the range of about \$10 per week/per camper. **Whether it's \$20, \$50, a gift certificate, or simply a heartfelt letter- Being a camp counselor at LLDC is a demanding job, and staff welcome any acknowledgement of appreciation for their hard work and effort.**

* **DOWNLOAD THE GRAZZEE APP** from the App Store, or go through **Grazzee.com** to make gratuities "touchless" and easy. Our staff roster will be uploaded into the Grazzee software/website/app- for families to easily find staff, and tip them electronically- like a Camp Venmo! We've had great success with Grazzee- for counselors, group leaders, bus captains, bus drivers, specialists, lifeguards, division leaders, etc!!

LEAVE CELL PHONES & ELECTRONICS AT HOME

* **Cell Phones, Electronic Games, and all other tech devices are NOT ALLOWED at Camp** *

Camp is a "step back in time," to a place where we make **REAL friends**, not social media acquaintances. A place where we actually speak to one another- even on the bus, and where games are played **OUTDOORS** on fields and under tents. Camp provides a break from the screens which children stare at an average of 7.5 hours per day, and an opportunity for them to interact with each other the way humans did for thousands of years, until recently: **Face to Face**. Our kids will have plenty of time in their life to stare at screens. It's our job to give them as much sunshine as we can during the most formative time in their lives.

If electronics are brought to Camp, they will be immediately confiscated- We are serious about this-
1st offense: We call home, 2nd offense: YOU come and pick it up, 3rd offense: Expulsion from camp

* **DIGITALLY DETOX @ LLDC** *

★ MORE IMPORTANT INFO ★

HEALTH & MEDICATION - All Campers must have a completed *Online Health History* filled out **EVERY SEASON, as per the NJ State Health Department**. We have Registered Nurses on staff who treat the campers and administer medication only when sent in its original container! Please make sure that the camp knows of any old injuries, as well as **medications that your camper(s) may take, at home and camp**. We call you immediately for any significant illness or injury at camp. Contact our Health Center any time during the camp season at nurse@libertylakedaycamp.com or **609-372-4721 (direct line)** - and you can meet them at the Meet & Greet!

SUNSCREEN - Generously apply sunscreen to your camper(s) prior to their arrival at camp. If you pack sunscreen, we will help re-apply to all Turtle and Freshman campers after each swim period. If you would like sunscreen applied to older campers, please send a note/Email to your camper's Division Leader- otherwise we help them apply it to themselves. Frosh & Turtles - leave a sunscreen at Camp, with the camper's name on it!

EVENING EVENTS - The *June 19 Meet 'n' Greet* is a chance for your kids to meet their counselors (plus a Teen Leader Orientation.) The *August 7, Family Night* is a special event for all families to enjoy a blowout BBQ, do some fun camp activities, see the camp musical, and celebrate campers/staff who have been with us for 5, 10, 15, or 20 years at LLDC. There is an onsite *Girls Campout, and Boys Overnight for 5th-10th grade campers* in the Survival Skills elective, while *Soph Campers have a Survival Skills late-night*. There is a *10th Grade LIT off-site Overnight Retreat*, and the *Senior & Teen Divisions have an Evening Semi-Formal Party* in which campers go home, clean up, dress up, and return to Camp at 6 PM, to get picked up at 9 PM.

COMMUNICATION - *"If you have any questions or concerns, please contact the office."* - We mean that! ***Be sure to check your Emails daily*** for important, continuous updates on camp happenings. Check the back page of this booklet for specific Email addresses for all camp administrators. We do not allow communication outside of camp between staff and campers. Social media has added a layer of complexity, so we preach to staff and older campers to be responsible and represent the camp community with pride, while teaching them the importance of maintaining their personal brand and reputation. It is incumbent on us all to monitor our children's social media.

FOOD & SNACKS - Campers choose between a hot main entrée, a variety of sandwiches, salad, pasta, and cold water offered each day. Cold water is also readily available at all activity areas, and campers can enjoy **fresh fruit throughout the day, and popsicles in the afternoon!** We also have a **"Snack Shack"** -our camp canteen for the groups- with pretzels, fritos (gluten free), goldfish, our ever popular Slushies, and ice cream on Fridays. There are also additional drinks for purchase, sort of like a drink machine with Gatorades, juices, and bottled water. We have a **dietary specialist** who manages our the unique dietary needs of our campers- food@libertylakedaycamp.com

BIRTHDAYS - Campers who celebrate their birthdays in camp, enjoy **Group Slushy Parties**- so please don't send any food into camp, due to the many allergies.

PROFESSIONAL PHOTOS - Irvin Simon Photographers takes professional camper and group photos **July 12 (Wk.3)**. Campers will be reminded to wear their camp shirt on that day. All campers in attendance will be photographed with their groups, and individually. You will get a link to check out the pix online and order- if you'd like.

CAMP SWAG - All Campers receive a Liberty Lake backpack and T-Shirt at the **"Meet & Greet"** or upon arrival on their first day of camp. Additional clothing is available in the Snack Shack and at our Online Camp Store: **Bunkline.com** - link on the camp website, under Parent Resources, and Quick Links.

SUCCESS TEAM - The Liberty Lake Success Team is made up of our Camp Health Center Nurses (Medical), our Inclusion Team (for kids with additional needs), Support Team (for kids with emotional/behavioral needs,) and Cultural track for ESL kids. They work in tandem to ensure that every camper has the opportunity to succeed at Liberty Lake.

LEAVE VALUABLES AT HOME - LLDC will not be responsible for any lost or stolen personal items brought to Camp. We will not replace any unnecessary items if they go missing for any reason- **LEAVE THEM HOME!**
Trading/Playing Cards are allowed only during set elective times, and can be locked up the rest of the day, if asked.

★ **PROHIBITED** ★ Illegal substances, drugs, alcohol, and anything that can be used as a weapon- are prohibited (*Camp reserves the right to check belongings.*) Campers or Staff found with any of these items will be dismissed from LLDC, with appropriate authorities notified. On a lighter note, **Flip-Flops are not "camp appropriate"** - keep'em home!

WAIT A SECOND...
A quick reminder as to why we're doing all this-

AND - HAVE - A - BLAST!!!**

The Most Popular Parent QUESTIONS + Answers

- 1 Why did Liberty Lake run camp in summers 2020-21, when so many others chose not to open?**

Liberty Lake has the advantage of being completely OUTDOORS on 60 acres, enabling us to spread out and adhere to enhanced safety guidelines when necessary. We also have an experienced, resilient leadership team that is willing to take on unique challenges. Director Andy, is the former President of the American Camp Association, and worked long hours with federal, state and county officials, and the media to enable summer camps to open safely across North America.
- 2 When does the bus pick up?**

In mid-June you will receive an Email with approximate pick-up/drop-off times at your bus stop. Times may vary slightly from week to week, and we will Email you an updated time sheet each week you are enrolled (the prior Friday). If you miss the Email, check the QUICK LINK webpage on the weekend to confirm Monday bus times!
- 3 What group is my Child in?**

Your camper's Group Name and Division will be listed in a confirmation sheet, and on their "First Day of Camp Name Label" (sent in Mail). **Please make sure your camper wears their label on their shirt for their first day of camp.** This will help our staff escort campers to their groups when they arrive, as well as their bus/dismissal areas at the end of the day. We get hundreds of group requests, and try to honor as many as possible, but please know that it's an impossible task!
- 4 What are the hours of Camp?**

The Regular Camp Day is 8:45 AM to 4:00 PM. Early extended hours begin at 7 AM. Buses arrive at camp between 8:45 and 9 AM. Buses leave promptly at 4 PM, after which parents may pick up their camper(s) until 6 PM if utilizing extended hours or by 4:15 to get the "no ext. hours/no transportation discount."
- 5 What should I pack for Camp?**

Each camper receives a Liberty Lake backpack and T-Shirt at the Meet & Greet or upon their arrival to camp- Bring the backpack to/from camp, and wear the camp t-shirt on "Picture Day". **All Campers wear SNEAKERS AND SOCKS every day (NO FLIP FLOPS),** as we run around a lot, and dislike twisted ankles. Campers wear a bathing suit to camp in order to facilitate getting ready to swim quickly. **Pack a towel in their bag,** and extra clothing for younger campers. Pack a water bottle, sunscreen (apply big-time before leaving home) and a windbreaker- Nothing valuable, & **LABEL EVERYTHING!**
- 6 What do I do if my child is NOT attending Camp on a given day?**

Email us at office@libertylakedaycamp.com by 7:30 AM if they are ill, or not coming in to camp that day.
- 7 What do you do when it RAINS or when it's TOO HOT?**

In event of "Liquid Sunshine" we go about our regularly scheduled activities, substituting dry covered area games for all field sports and waterfront activities. **PLEASE be sure to dress your camper(s) appropriately!** (water-resistant windbreaker or rain jacket- not a sweatshirt.) **Campers should always wear a bathing suit to camp,** as the sky usually clears up. **Excessive Heat = Cancelled sports, lots of extra swimming time + water games!**
- 8 What do I do when I want to Pick-up my child from Camp early?**

Call and Email by noon, and plan on picking up **before 3pm. No pick ups between 3-4pm,** for safety reasons.
- 9 Do you perform background checks on your Staff?**

Adults go through local/national background/sex offender checks + 3 reference checks. Minors undergo reference checks. As Liberty Lake is state certified to serve the special needs population, our adults are also FINGERPRINTED!
- 10 Can I stop by and visit my child at Camp?**

Sorry, No. Camp is a special place for kids, and one of the reasons is because parents are NOT here (#facts) Ask good, specific questions at dinner, and check out the online photos on Facebook, Instagram, & the online photo galleries!
- 11 Do you serve children with Special Needs?**

We are proud of our SUCCESS program, which integrates all types of children within the Liberty Lake program. While 10% of our population has additional needs, we are not a "special needs camp." **We are a true INCLUSION program.**
- 12 Do you accomodate special dietary needs?**

Our main lunch entree', alternatives/substitutes, salad, fruit, yogurt, & pasta can accomodate most children's needs- Vegetarian, Kosher, Gluten, Lactose, etc. Email our dietary specialist with questions: food@libertylakedaycamp.com
- 13 Can I send my child to Camp with a cell-phone?**

NO. Do not send Electronics, or other valuables to camp with your camper(s) as **the camp will not be responsible** if they are lost, stolen or broken. **1st offense:** We'll call you, **2nd offense:** Parent will have to come to camp to retrieve the phone and speak to the director, **3rd offense:** Expulsion from camp. Same goes for our staff- **Unplug at the gate!**
- 14 Whom do I contact with questions?**

Call or Email the office at (609) 499-7820, office@libertylakedaycamp.com, or Email your child's Division Leader directly (they will reach out to you as well). **Our Division Leaders are the summer communication link between camp and home.** Please share with them any information that will help us make your camper's summer the best ever!
